FROM THE PRINCIPAL

Kia ora e te whānau,

Yesterday, our kura took part in the National ShakeOut, helping our tamariki practise what to do to stay safe during an earthquake.

Matua Hakoro has also been helping each class prepare for our School Athletics next week. We look forward to welcoming whānau to cheer on our tamariki as they give the events a go!

Earlier this week, some whānau received a pānui about arriving at kura on time. If you received one, please complete and return it to your child's classroom teacher. Your feedback will help us understand any challenges and work together to support your tamaiti.

A friendly but important reminder: please park on the road and keep the staff car park clear. Staff have been blocked in and unable to leave, and we are concerned about tamariki walking through the car park while vehicles are moving. Please help your tamariki use the footpath so everyone can arrive and leave safely. Ngā mihi for your support with this.

Wishing you all a beautiful long weekend with your whānau. We look forward to seeing our tamariki back at kura on Tuesday!
