Year 7-8 Camp

This week our Year 7 and 8s went to Camp Wakarara. I can guarantee that your child will sleep well after an eventful camp.

Groundbreaking: Whakatō Mauri

A few of us got together to karakia the start of our new build. It was a special time attended by ākonga, staff, board representatives and builders. Over the coming weeks and months, we will have some movements as we prepare firstly for new classrooms to be transported onsite and then demolition of old buildings and a new build onsite.

Teacher Only Days Term one

We have teacher only days coming up as this gives our staff time to have their own learning time so we can best meet the needs of our ākonga.

The dates are; **Thursday 5 March and Friday 6 March**. These days are for our staff learning in Maths and Literacy. **School will not be open for students.**

Swimming Lessons

Our Year 4-8 students start swimming lessons at Mitre10 Sports Park on Thursday next week. Swimming is compulsory unless there is a medical reason they cannot swim. Our junior school will start swimming soon, however their swimming will be at Flaxmere Pools. More comms will come.

Ngā mihi nui,
