

IRONGATE SCHOOL

KIA ORA E TE WHĀNAU

We've had two big sports events that our tamariki had the opportunity to participate in this week. It is always awesome to see our tamariki being active and having fun.

We also had our Principal Lunch this week. These are the stars chosen by our kaiako to get the treats for all they do in demonstrating our school values. This week it was banana splits.

Attendance still matters and this ensures our students are progressing in their learning. Some of our Tamariki at 95% will be getting a little something for the effort in regular attendance. A reminder that school starts at 8.20am so please try and get your child here on time.

Next term, we will be inviting whānau to hui to discuss our rebuild. We have three classrooms that are being renovated and ready for teaching and learning. Later next term, they will be ready for Te Ohu Morehu to move into. We will also have one of our Kākano classes in there temporarily. The other Kākano class will be in the old staffroom. We will keep you updated as to when the move will happen. As the build continues, old classroom blocks will be demolished. We will keep you updated.

We have Stead Construction onsite and during the holidays, they will be cutting concrete and trenches to ensure our new classrooms are connected to services. Whilst we know that our school grounds are a playground for our community, health and safety is paramount so please try to refrain from coming onto the school during the school holidays.

Your tamariki are amazing and they are the ones that keep us going. They deserve the best in every which way and we are privileged that you choose us to serve.

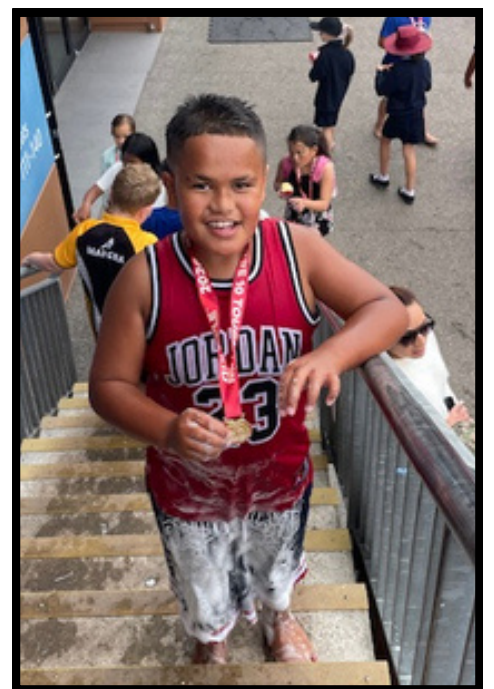

PRINCIPAL AWARDS

Congrats!
