From the Principal

Kia ora e te whānau,

This week it was awesome to see Te Ohu Puawai continue their learning in Pania of the Reef with a visit to Ahuriri. They enjoyed exploring the sea life. Fabulous haerenga for all.

We have received some fantastic ideas about what whanau think is important for tamariki to learn at kura. Keep the ideas coming. They help to inform our strategic plan for the next two years.

There have been a few incidents happening in the playground this week. We offer targeted play to support our tamariki to learn appropriate play in safe adult supervised games. I would be most appreciative of whanau having a korero with their tamaiti about what is appropriate play with others. Soon your children will come home talking about colours. This is the mana potential korero, please ask them what the colours mean. Soon our Year 7-8 students will be trialing the Linewize student wellbeing programme. We anticipate it will be successful and we look to make this available for all students in 2027.

Chef Chavez has made an impression on our students. They are often asking for seconds. Our tamariki are enjoying the new menu.

In the last week of school, we will be having a colour run. A panui will come home next week about what clothes your child will need to wear.

Fun in the pool

New School Hood

Crazy Wig Day

Welcome New Staff member Matua Chris
